Dear Mr. Rothermel, Commissioner of Jurors, and Ms. Strauber,[‡]

This is a follow-up to my letter of 4 instant, reproduced on the back hereof, where I informed you that after entering an official position, I acquired substantially important information involving judicial, prosecutorial, and police officers that you should investigate as part of your duties. I stated that information in an 8-page, 4,743-word sworn “Emergency Application” of May 26. I submitted it to Administrative Judge Alvin Yearwood of the Supreme Court, Bronx County Criminal Term, where the information originated, and requested that you ask him for a copy.

I have not heard from you. That is disappointing and telling, for I brought to your attention probable cause to believe that there is organized wrongdoing by public officers duty-bound to enforce the law and administer justice, which implies that innocent people are being victimized. If you were the target of an unfounded accusation, never mind if as a result you were committed to Rikers, you would want and expect public officers with authority to help you to proceed with a sense of urgency and personal responsibility. This should be quite understandable since you too must know the outrageous amount of abuse, violence, and humiliation that fester in Rikers

Judge Yearwood has not answered my “Emergency Application” either. Instead, he referred it to Judge Laurence Busching, who enabled and covered up the organized wrongdoing. The text of his letter and my comment on it are in my letter attached hereto. I am complaining against both.

It follows that regardless of what you may have been or may yet be told, the “Emergency Application” has not been disposed of or dismissed...far from it. Indeed, it is not realistic to expect that I will drop the “Application” despite my duty to carry it on as the holder that I was of an official position, the lawyer that I am, and the responsible citizen that I intend to continue to be.

Therefore, I respectfully reiterate my request that you call Judge Yearwood at (718)618-3700 to ask that he forward to you a copy of the “Emergency Application” together with the related “evidence” and transcripts mentioned therein so that you may promptly begin your investigation. If you issue an order for me to release the “Application” to you, I will comply with it.

The information in the “Application” can cause an unprecedented erosion of trust in public officers if people come to suspect that inaction is the result of a cover-up among officers of those branches of government protecting themselves rather than the people that they are sworn to protect.

If public trust is of no concern to you, money should be: Ninety gymnasts sued the FBI and agents for **over \$1 billion** last June 8, for its **failure to act** on the complaints against sexual predator Dr. Larry Nassar brought to FBI agents and the FBI’s cover-up of their inaction. The Court of Appeals for the **Fourth Circuit** held in *Strickland v. U.S.* that the Federal Judiciary and its officers in their official and individual capacities can on constitutional grounds be sued and held liable.

Motivated by either principles or opportunism, you can use the “Application” information to become nationally recognized by a grateful *People* as one of their Champions of Justice.

Sincerely, *Dr. Richard Cordero, Esq.*

Dear Judge Yearwood[‡]

1. I mailed you with date of May 26, 2022, and you received on May 30, a writing thus titled:

**Emergency Application
of Dr. Richard Cordero, Esq., for his reinstalment in
Panel A of the current grand jury,
which is seated for the period May 23-June 17, 2022,
after the peremptory discharge of him by
Grand Jury Judge Laurence E. Busching upon the statements to him of
ADAs and grand jurors accusing Dr. Cordero in his absence;
for preservation of evidence; and other relief action**

- 2. Since then, I have had to make numerous calls to your chambers at (718)618-3700 to request from your assistants Ms. Dana and Ms. Stephanie to speak with you and ask for an answer from you to the “Emergency Application”; to no avail. To the same end, I had to call at (718)618-3000 Chief Clerk Michelle Foggie; Mr. Greg Johnson, Acting Bureau Chief Document Liaison; and Mr. Lamar Decassures, Bureau Chief Trial Support. They too were unable to induce you to contact me.
- 3. However, now, a month later and without even recognizing my writing as an “Emergency Application”, Judge Busching mailed me a letter whose full text is the following:

Dear Dr. Cordero:

Administrative Justice Alvin Yearwood has referred your letter dated May 26, 2022, to me for response.

Please be advised that the A Panel, Sixth Term expired on June 17, 2022. Your application to be reinstated to the grand jury is therefore moot.

Very truly yours,

- 4. My “Emergency Application” consists of 8 pages and 4,743 words. It states in its very title that it deals, in addition with my request for reinstatement in the grand jury, with the substantive issues of genuine material and legal importance of “the peremptory discharge of [me] by Grand Jury Judge Busching upon the statements to him of ADAs and grand jurors accusing Dr. Cordero in his absence; for preservation of evidence; and other relief action”.
- 5. More importantly, the “Emergency Application” deals with the accusation of murder against two people and their probable incarceration. The ADA who presented the indictment to Panel A of the

[‡] http://Judicial-Discipline-Reform.org/OL2/DrRCordero-Administrative_JudgeAYearwood.pdf

grand jury on May 23 and 24, 2022, failed to connect to the alleged murder the only two pieces of “evidence”, i.e., a pair of sneakers and of jeans shown on photos, so that they were irrelevant as they lacked any probative value. None of the 12 videos and pictures showed the scene of the alleged crime, the alleged victim lying on the street, or the autopsy report; and the NYPD police officers and detectives who testified before the grand jury did not even allege to have seen any of that. No bystander, nearby storeowner, or relative of the alleged victim was brought to testify. The alleged victim was seen on a video walking on the sidewalk with a friend, who was the only civilian to testify although he could not identify the alleged murderers or provide a composite of them. No murder weapon was recovered and no motive for the murder was alleged. The “evidence” and the testimony could only permit of one conclusion: *no murder had occurred!* Once more, an ADA had abused uncritical and indifferent grand jurors ‘to indict a sandwich’...and how many people?

6. A person guided by “common sense and good judgment” (Grand Juror’s Handbook, p.10), and especially officers of the court charged with administering justice, would have realized the emergency situation at hand: They would have promptly undertaken a determination of whether there was probable cause to free those two accused people immediately as well as people who like them had been accused and even incarcerated for crimes that they could not possibly have committed because the alleged crimes had not even occurred or the alleged “evidence” was totally irrelevant.
7. Judge Busching’s letter to me was non-responsive. Justice Thurgood Marshall put it this way in his dissent in *Greenholtz v. Inmates of the Nebraska Penal & Correctional Complex*, 442 U.S. 1, 40 (1979): “[A]n inability to provide any reasons suggests that the decision is, in fact, arbitrary”.
8. You had the duty to investigate the “Emergency Application” and do so with due diligence. You and J. Busching waited until Panel A’s term had expired to make my request for grand jury reinstatement moot and pretend that was the only issue. You committed bad faith and dereliction of duty.
9. You referred the “Emergency Application” to Judge Busching although he had every interest in not incriminating himself or causing ADAs, NYPD officers and detectives, and grand jurors to incriminate him if he faulted any of them. Self-servingly and inexcusably, you disregarded the millennial principle of judicial process “nobody can be a fair and impartial judge in his own cause”.
10. If you investigated the “evidence” and the transcripts of the proceedings before the grand jury and Judge Busching referred to in the “Application”, you knew how incriminating they were. That knowledge should have prevented you from referring it to him. If you failed to perform that investigation, you engaged in willful blindness and ignorance. Applying the principle, “People are deemed to intend the foreseeable consequences of their acts”, you complicitly intended a cover-up.
11. You, ADAs, witnesses, jurors, and Judge Busching have inflicted injury in fact on the two people referred to in ¶5 above; others similarly accused and incarcerated before and since then; and me. There is precedent that you have made applicable to you: Ninety gymnasts sued the FBI and agents for over \$1 billion last June 8, for its failure to act on the complaints against sexual predator Dr. Larry Nassar filed with FBI agents and the FBI’s cover-up of their inaction. The U.S. Court of Appeals for the Fourth Circuit held in *Strickland v. U.S.*[‡] that the Federal Judiciary itself and its officers in their official and individual capacities can on constitutional grounds be sued and held liable.
12. Hence, I respectfully request that you disqualify them and recuse yourself from any involvement in the “Emergency Application” and refer it, the “evidence”, and the transcripts to Chief Judge Janet DiFiori; Chief Administrative Judge Lawrence Marks; NYC Administrative Judge Deborah Kaplan; NYPD IAB Chief David Barrere; and Inspectors General Sherrill Spatz and Carol Hamm.

Dear Mr. Rothermel, Commissioner of Jurors, and Ms. Strauber,†

The image hereunder depicts the NYS check that I received as a grand juror in Bronx. I object to both the amount paid for my service and the circumstances that caused it to last only four days, although the term of service was 20 days and I had made arrangements, and was able and willing, to serve it. Those circumstances are inextricably intertwined with the substantially important information involving judicial, prosecutorial, and police officers that I acquired as a grand juror. The Criminal Procedure Law provides serious penalties, including imprisonment, for the unauthorized disclosure of such information. Prudently, I stated those circumstances and information in an 8-page, 4,743-word sworn “Emergency Application” of May 26, 2022. I submitted it to, and it was received on May 31* by, Administrative Judge Alvin Yearwood, Supreme Court, Bronx County Criminal Term, 265 East 161st Street, Bronx, NY 10451; tel. (718)618-3700...to no avail.

I respectfully request that you ask Judge Yearwood and the six judicial and police officers addressed below to send you a copy of my “Emergency Application” so that you may conduct an investigation [separately or jointly](#) with them and the Bronx districts and NYC leaders named infra.

You should conduct that investigation not only on my behalf and that of third parties, but also for your own sake: Ninety gymnasts sued the FBI and agents for [over \\$1 billion](#) last June 8, for its [failure to act](#) on the complaints against sexual predator Dr. Larry Nassar filed with FBI agents and the FBI’s cover-up of their inaction. The U.S. Court of Appeals for the [Fourth Circuit](#) held in [Strickland v. U.S.](#) that the Federal Judiciary itself and its officers in their official and individual capacities can on constitutional grounds be sued and held liable. Those are precedents.

The below image of the check indicates that it must be cashed within 180 days. To mitigate damages, I will cash it, and will do so without prejudice, and reserving all my rights, to demand the payment of the full term of service and further compensatory damages on my behalf and that of third parties. Meantime, I look forward to hearing from you at your earliest convenience.

Sincerely, *Dr. Richard Cordero, Esq.*

Carol M. Hamm, Esq.
Deputy Inspector General

Dear Chief Judge DiFiore, Judges Marks and Kaplan, Chief Barrere, and IGs Spatz and Hamm,[‡]

I entered an official position upon swearing to discharge my duties “faithfully”. While so discharging them, I acquired information involving judicial, prosecutorial, and police officers of substantial importance that you too should without delay acquire and investigate as part of your official duties. I have written down that information in an 8-page, 4,743-word sworn “Emergency Application” of May 26, 2022. I submitted it to Administrative Judge Alvin Yearwood, Supreme Court, Bronx County Criminal Term, 265 East 161st St., Bronx, NY 10451; tel. (718)618-3700.*

The NY Criminal Procedure Law warns that a person who discloses such information, except under court order, is subject to serious penalties, including imprisonment. Therefore, I respectfully request that you contact Judge Yearwood and ask that he release to you a copy of my Application so that you may promptly start your joint and several investigation of it given that each of you is an “authority empowered to investigate or act upon” such information.

Indeed, I have a legal and ethical duty to bring this information to your attention. That duty flows from NY Rules Of [Professional Conduct](#) (22 N.Y.C.R.R. Part 1200), which provides thus:

Rule. 8.3. REPORTING PROFESSIONAL MISCONDUCT(a). A lawyer who knows that another lawyer has committed a violation of the Rules of Professional Conduct that raises a substantial question as to that lawyer’s honesty, trustworthiness or fitness as a lawyer shall report such knowledge to a tribunal or other authority empowered to investigate or act upon such violation.

Conversely, Judge Yearwood has a duty under the Rules of the Chief Administrative Judge PART 100. [Judicial Conduct](#), (C) Administrative Responsibilities.(1) to “diligently discharge the judge's administrative responsibilities without bias or prejudice” to protect fellow judges, staff, and others, and “cooperate with other judges and court officials in the administration of court business.”

I also have a civic duty to report this information to you. That duty has been repeatedly declared and instilled in the citizenry in the guiding principle of civic conduct, “If you see something, say something”. I did see something...and then some...so I am saying it to you.

After you request from Judge Yearwood my Application and I receive from you an order to discuss it with you in person in NYC or by video conference, I will comply. I look forward to your acknowledgment of receipt of this letter and your statement of what you intend to do about it.

Sincerely, *Dr. Richard Cordero, Esq.*

Dear Chief Judge DiFiore, Judges Marks and Kaplan, Chief Barrere, and IGs Spatz and Hamm,[‡]

This is a follow-up to my May 28 letter, where I informed you that after entering an official position, I acquired substantially important information involving judicial, prosecutorial, and police officers that you should investigate as part of your official duties. I stated that information in an 8-page, 4,743-word sworn “Emergency Application” dated May 26, 2022. I submitted it to Administrative Judge Alvin Yearwood, tel. (718)618-3700, of the Supreme Court, Bronx County Criminal Term, where the information originated, and requested that you ask him for a copy.

I have received no letter acknowledging your receipt of mine. Yet, that information concerns criminal matters. It is so sensitive that the Criminal Procedure Law provides serious penalties, including imprisonment, for the unauthorized disclosure of it. That should have alerted you to the need to act “[efficiently and effectively](#)” because you have a duty to “[diligently discharge \[your\] responsibilities](#)” and Judge Yearwood has a duty to “[cooperate](#) with other judges and court officials in the administration of court business”. Moreover, you have the means of calling him and meeting virtually with him and others in a teleconference, as follows from Chief Administrative Judge Lawrence K. Marks’ [2021 Annual Report](#) on the NYS UCS. There he highlights that “we adopted and then mastered virtual technology to...ensure access to justice in the broadest range of cases”.

Chief DiFiore’s [Excellence Initiative](#) can only succeed if it promotes people’s trust in officers with the integrity needed to deliver the “level of justice services people have a right to expect and deserve”. That trust has been so battered as to spark the movement against police brutality and for defunding the police. The information at stake can so outrage people as to cause them to extend their distrust to prosecutors and judges. The suspicion that inaction is the result of a cover-up among the three branches will exacerbate such outrage. If public trust is of no concern to you, money should be: Ninety gymnasts sued the FBI for [over \\$1 billion](#) last June 8, for its [failure to act](#) on the complaints against sexual predator Dr. Larry Nassar filed with FBI agents and the FBI’s cover-up of their inaction. The Court of Appeals for the [Fourth Circuit](#) held in [Strickland v. U.S.](#) that the Federal Judiciary and its officers in their individual and official capacities can be sued and held liable.

Thus, I respectfully request that you inform me of the action that you have taken and intend to take concerning the information at stake. Conversely, I inform you that I am asking political leaders to do likewise by contacting you. Motivated by either principles or opportunism, whether to protect their constituents, in general, and those already, and yet to be, victimized, in particular, or to further their own careers, they may cause you to “diligently discharge [your] responsibilities”.

Sincerely, *Dr. Richard Cordero, Esq.*
