**Joining forces to avoid wasting time fighting judges in court, where they abuse one party at a time and disregard precedent; and use your time to prepare your stories to appeal to the top media that have dare expose judges' abuse and are interested in scooping the confirmation of the justice nominee<sup>‡</sup>**

In a recent thread of emails among members of an organization for pro ses to defend their rights, it is written pertinently “The in-fighting here is a waste of time”.

### **A. The out-of-court inform and outrage strategy for telling your story with the media's help**

1. That comment is most appropriate when applied to the effort of pro ses to fight their legal battles in court, the turf of judges, who there disregard their own rules and make as they go new ones for their gain and convenience. [Pro ses](#), who do not read the law and even boast that they could not care less for court rules, including those on jurisdiction, waste their time and that of others trying to ‘in-fight’ judges in court. The powerless need an outsmarting strategy and many allies.
2. Judges’ arbitrary manipulation of rules is factually based on the reports by top media outlets and a VIP that have, as shown in §B below, dare expose judges’ [abuse of power](#) and [financial criminality](#).
3. The alternative to court “in-fighting” is for pro ses and all the other Advocates of Honest Judiciaries to join forces to induce further exposure of judges by those top media outlets and VIP as well as politicians searching for a distinguishing issue on which to run in the primaries.
4. This is the most propitious time for such exposure because the media now have commercial and reputational interests in a scoop that exposes justice nominee Ketanji Brown Jackson and one pre-eminent fellow judge: [former chief judge](#) of the Court of Appeals for the District of Columbia Circuit, where she has sat since June 2021, and current Attorney General [Merrick Garland](#).
  - a. President Biden knew and is imputed with knowing that they have [dismissed 100% of complaints](#) against their fellow judges and [denied 100% of petitions](#) to review those dismissals because that is shown in the official statistics of their circuit compiled by their Court and submitted to Congress by the Administrative Office of the U.S. Courts in its [annual Report](#).
  - b. Chief Judge Garland, Judge Brown, and their colleagues left complainants uncompensated and everybody else at the mercy of emboldened “Judges Above the Law”.
5. The media’s exposure of JJ. Garland and Brown’s exoneration of fellow judges to cover up the abuses and criminality underlying the complaints against them can cause public outrage at them in particular, and at judges, in general, that leads to her withdrawing her name from the justiceship nomination, both resign –as did Supreme Court Justice Abe Fortas on May 14, 1969([jur:92&d](#))–, and thus set the trend for other judges, justices, and even courts to resign under the pressure of a public in voting mood and outraged at their practice of “Judges Can Do No Wrong”. What a scoop!
6. Moreover, an ever growing number of defendants and lawyers can be induced to claim on grounds of equal protection of the law that they too should be protected as law-breaking judge([¶12](#)) have been: not one has been prosecuted or even investigated or forced to disgorge their ill-gotten gains.
7. Representing those defendants, complainants, and abusees can be the glut of unemployed lawyers, recently graduated lawyers, and law students guided by their professors. All of them and jour-

nalists investigating how deep and wide judges' abuse and criminality go can apply in their and the public's behalf the aphorism "In chaos there is opportunity" and give rise to a niche practice.

8. When the bullies have all the power, those who have none must not fight them in the bullies' turf. Rather, they must use what they have, i.e., their knowledge and intelligence to [think strategically](#) so as to outsmart them out of their turf, appeal to 'the enemies of our enemies, who are [our friends](#)', and fight them with the weapon to which the bullies are most vulnerable: *public outrage!*
9. Wielding that weapon is the objective of the [out-of-court inform and outrage strategy](#). It aims to persuade journalists and academics to hold [UNPRECEDENTED CITIZENS HEARINGS](#). They are to be held at media stations, university auditoriums, and via video conference so that the largest number of people everywhere can attend and testify inexpensively. The public will hear so many stories of judges' abuse and criminality that, outraged, it will compel principled and opportunistic politicians to hold judges and their judiciaries accountable and liable to pay [compensation](#) to abusees; and to reform the justice system through transformative change.
10. No case that a party 'in-fights' in court, not even one won, will ever achieve that objective: Law-breaking judges will disregard any precedent and continue abusing millions of cases. Without a strategy, there is nothing but losing whinings. That is why 'in-fighting in court is a waste of time'.

## **B. Sample of how top media outlets and a VIP have dare expose judges**

11. *The Wall Street Journal*, published on September 28, 2021, the first of a [series](#) of articles under the initial title "131 Federal Judges Broke the Law by Hearing Cases Where They Had a Financial Interest". Another article in the series was published on November 2, 2021, titled "Hidden Interests - Federal Judge Files Recusal Notices in 138 Cases After WSJ Queries. Rodney Gilstrap initially argued he didn't violate financial-conflicts law"; [James.Grimaldi@wsj.com](#), [Joe.Palazzolo@wsj.com](#), [Coulter.Jones@wsj.com](#), [Michael.Siconolfi@wsj.com](#). (See the articles referred to [here](#) and at [Appendix:6§C.22.](#))
12. Thomson Reuters, with 2,500+ journalists and 600+ photojournalists, published on June 30, 2020, the first of its three-part report "The Teflon Robe" on its massive investigation of state judges led by [John.Shiffman@thomsonreuters.com](#) and [Michael.Berens@thomsonreuters.com](#). It found that "hardwired judicial corruption" intertwines state judges and the state commissions on judicial performance that are duty-bound to supervise and discipline them. Reuters asked readers to send it their stories of abuse by judges...and the reporters subsequently stated that they were "inundated" with them. This goes to showing that people who have suffered or witnessed judges' abuse want to tell their story to the largest public possible. Thereafter, Reuters proposed a [law firm council](#).
13. *The Boston Globe* published its [investigative](#) report by Jenn Abelson, Nicole Dungca and "Todd Wallack" <[twallack@gmail.com](#)>, [patricia.wen@globe.comrs.com](#), [spotlight@globe.com](#), on September 30, 2018, "Inside our secret courts", in whose "private criminal hearings, who you are –and who you know– may be just as important as right and wrong". Officers making decisions in criminal matters need not be lawyers, although they are supposed to administer Equal Justice Under Law to criminal defendants.
14. Senator Elizabeth Warren, in her "I have [a plan](#) for the Federal Judiciary too", [dare](#) denounce judges' unaccountability and their abuse of it by refusing to recuse themselves from cases in which they own stock in one of the parties before them in order to steer the cases so as to protect and increase the value of their stock. Sen. Warren refers to their grabbing as 'abusive self-enrichment'.
15. The International Consortium of Investigative Journalists (ICIJ), headquartered in Washington,

D.C., published on October 3, 2021, the Pandora Papers, that is, close to 12 million financial documents leaked to it. “More Than 600 Reporters Around The Globe Work With ICIJ On The Most Expansive Leak Of Tax Haven Files In History”. The expertise that ICIJ has gained in applying document scanning software and money tracking techniques can be applied(OL:194§E) to exposing judges’ [illegal flow](#) of money from the point where they grab it to where they conceal it to evade taxes until it has been laundered of its illegal origin in order to spend it in the open.

16. NBC News published its report by Erik Ortiz on December 26, 2021, "[Robed in secrecy](#): How judges accused of misconduct can dodge public scrutiny - [Thousands of complaints](#) are filed against judges every year, but very few result in discipline. Ethics experts say the time for states to transform the judiciary is now"; [erik.ortiz@nbcuni.com](mailto:erik.ortiz@nbcuni.com), [Anna.Brand@nbcuni.com](mailto:Anna.Brand@nbcuni.com), [Tim.Perone@nbcuni.com](mailto:Tim.Perone@nbcuni.com), [Jessica.Simeone@nbcuni.com](mailto:Jessica.Simeone@nbcuni.com), [Jaquetta.White@nbcuni.com](mailto:Jaquetta.White@nbcuni.com).
17. ABC broadcast “Price of Protection: Woman loses Seffner home after father's guardian sues her for libel: Former guardian faces felony charges” by reporter Adam Walser of [ABC Action News Plus](#) on 20Feb22. His reportage raised the question where were the judges that allowed the guardian’s felonious conduct to occur. He invited to be contacted at [adam@abcactionnews.com](mailto:adam@abcactionnews.com).
18. “[\(dis\)Honorable](#): Exposing ‘Astonishing and horrific’ conduct in the courtroom of Maricopa County Superior Court Judge Erin O’Brien Otis; A Maricopa County Superior Court judge and her staff mocked and ridiculed people during hearings and trials by routinely emailing each other cruel and obscene statements, jokes, and memes”; Dave Biscobing, chief investigator; ABC15 Arizona; February 12, 2022. The complaint filed by a whistleblower was dismissed by the Arizona Commission on Judicial Conduct. After two years of investigation and without publishing its re-cord, the Commission stated that it had “not found clear and convincing evidence” supporting the complaint. So the name of Judge Otis does not appear in the order of dismissal. The judge resigned in the middle of the investigation in 2020 and now works in the capital cases division of the Maricopa County attorney’s office. Chief investigator Biscobing is now investigating “the Commission’s lack of transparency”; [dbiscobing@abc15.com](mailto:dbiscobing@abc15.com), [abc15news@wpde.com](mailto:abc15news@wpde.com), [wls-tv.iteam@abc.com](mailto:wls-tv.iteam@abc.com), [wls.planning@abc.com](mailto:wls.planning@abc.com), [JDucey@abc15.com](mailto:JDucey@abc15.com), [Diane.L.Wilson@abc.com](mailto:Diane.L.Wilson@abc.com).
  - a. Did Judge Otis tell the Commission: ‘I know enough about the abuse of power and appalling conduct of each of the other Maricopa judges. So I will only resign my position as a judge if you dismiss the complaint and manage to give me a top job in the District Attorney’s office...or I bring down with me all the judges that you have covered for *together with you!*’
19. [The Center](#) for Public Integrity published “[Federal judges plead guilty](#)” for hiding their conflict of financial interests, by Reity O’Brien, Kytja Weir, Chris Young on April 28, 2014; <https://publicintegrity.org/politics/federal-judges-plead-guilty/>.
20. *The Washington Post* published “[Ethics Lapses](#) by Federal Judges Persist, Review Finds”, by Joe Stephens on April 18, 2006.
21. Supreme Court Chief Justice John G. Roberts, Jr., in his “2021 [Year-End Report](#) on the Federal Judiciary” considered the “matter of financial disclosure and recusal obligations” exposed by *The Wall Street Journal* so important that it was the first one that he discussed of the three matters that he said “will receive focused attention from the Judicial Conference and its committees in the coming months...Let me be crystal clear: the Judiciary takes this matter seriously. We expect judges to adhere to the highest standards, and those judges violated an ethics rule”.
22. Other media articles are discussed in my three-volume study\* <sup>†</sup> <sup>★</sup> of judges and their judiciaries, the product of my professional law research and writing, and strategic thinking. It is titled thus:

## Exposing Judges' Unaccountability and Consequent Riskless Abuse of Power: Pioneering the news and publishing field of judicial unaccountability reporting\* † ♣

- a. I post some of my law articles to my website **Judicial Discipline Reform** at <http://www.Judicial-Discipline-Reform.org>. They analyze current events and propose concrete, reasonable, and feasible actions that webvisitors can take in their own interest. They are in long form, demand intellectual effort to understand them, and even make reference to official court statistics. They are similar to those that appear in the likes of *The New York Times Sunday Magazine*, *The Washington Post*, *The New Yorker*, *TIME*, *The Atlantic*, etc. Hence, my website subscribers are educated, well-off people willing to read what they have in front of them and even ask for what may be written in future.
- c. My articles have attracted so many visitors and elicited in them such a positive reaction that the number of those who had become subscribers as of 11 March 22, was **43,462+** ([Appendix 3](#)). How many law firms, let alone lawyers, do you know that have a website with so many subscribers? You too can subscribe to the articles: go to the [website](#) <left panel ↓ Register or + [New](#) or They can buy your advertisers' products and services. [Users](#) > [Add New](#).

### C. Strategic actions for joint exposure by abusees and witnesses of judges' abuse

- 23. The most important action that those who have suffered or witnessed judges' abuse of power and financial criminality can take is to send the media ([Appendix 7](#)) their individual story. The media can search for, and expose, the most persuasive type of evidence: patterns of abuse and criminality.
- 24. The media are not going to read hundreds pages of a case that not even the abusee, most likely a pro se, ever read. That is why the story must be written in only up to 500 words and contain data that is accurate, significant, and verifiable.
- 25. I have devised a [two-step method](#) that everybody can apply to write their individual story. I offer to present it at a [workshop](#) via video conference –and if in NY City, in person– held by you for your fellow members and guests. To schedule it use my contact information in the letterhead.
- 26. A written story is what will give every abusee an opportunity to do what they have longed to do during their experience of abuse and quest for justice: tell their story orally to the national public, be compensated, and bring about judicial reform.
- 27. Abusees may tell their story at the above-mentioned ([¶9](#)) [UNPRECEDENTED CITIZENS HEARINGS](#). The written story will allow the hearings organizers, that is, the media, top journalists, and professors and students, to choose those abusees who have suffered or witnessed the most representative and outrageous abuse and have set it forth in a sufficiently brief and coherent form to be delivered by them and understood by the public in the 5 minutes that each abusee will have to tell it.
- 28. To invite as many people as possible to attend the story workshop and promote the CITIZENS HEARINGS, you can as widely as possible share this email with all your relatives, friends, and colleagues, and post it to social media such as Facebook, YouTube, LinkedIn, Instagram, Google Plus, Pinterest, Reddit, Snapchat, and WhatsApp. Tweet this: Telling journalists your story of judges' abuse of power written at a workshop to seek the support of media that have exposed judges and want to scoop the justice nominee confirmation; [http://Judicial-Discipline-Reform.org/OL2/DrRCordero\\_your\\_story\\_for\\_media&citizens\\_hearings.pdf](http://Judicial-Discipline-Reform.org/OL2/DrRCordero_your_story_for_media&citizens_hearings.pdf).
- 29. To begin with, you can send this article to the two blocs of email addresses ([Appendix 7](#)) of top journalists and law professors. In your own interest of telling your story, *make it go viral!*

*Dare trigger history!...and you may enter it.*

Ms. Lesa Martino

[lesa.m.martino@gmail.com](mailto:lesa.m.martino@gmail.com)

Dear Mr. Walser, Ms. Martino, and Advocates of Honest Judiciaries,

With great interest, I read the article and watched the footage concerning your story:

Price of Protection: Woman loses Seffner home after father's guardian sues her for libel: Former guardian faces felony charges; Adam Walser; ABC Action News Plus; February 10, 2022; [https://www.abcactionnews.com/news/local-news/i-team-investigates/the-price-of-protection/price-of-protection-woman-loses-seffner-home-after-fathers-guardian-sues-her-for-libel?fbclid=IwAR0aejMvfcxBAJ4UqHm4xWHXolqRx7fkEX2\\_NXpmXahHH27L3snV54foPdw](https://www.abcactionnews.com/news/local-news/i-team-investigates/the-price-of-protection/price-of-protection-woman-loses-seffner-home-after-fathers-guardian-sues-her-for-libel?fbclid=IwAR0aejMvfcxBAJ4UqHm4xWHXolqRx7fkEX2_NXpmXahHH27L3snV54foPdw)

"...If you have a story you think the I-Team should investigate, email us at [adam@abcactionnews.com](mailto:adam@abcactionnews.com)."

I respectfully propose that you both:

- a. further investigate Ms. Martino's story as set forth below; and
- b. extend the opportunity to your fellow reporters across the nation to investigate similar stories.

## **A. The foundation of the proposed investigation**

1. The proposed investigation has concrete and reasonable objectives attainable in the short term. The proposal has as its foundation my three-volume study of judges and their judiciaries, titled and downloadable thus:

**Exposing Judges' Unaccountability and Consequent Riskless Abuse of Power:  
Pioneering the news and publishing field of judicial unaccountability reporting\* † ‡**

2. I post some of my articles on my website **Judicial Discipline Reform** at <http://www.Judicial-Discipline-Reform.org>.
3. My articles are the product of professional law research and writing, and [strategic thinking](#). They analyze current events and propose concrete, reasonable, and feasible actions that webvisitors can take in their own interest to:
  - a. expose judicial [abuse of power](#) and [financial criminality](#);
  - b. collectively demand [compensation](#); and
  - c. set in motion [reform](#) through transformative change, i.e., what goes into the process of change comes out transformed into a different entity.
4. Webvisitors have reacted so favorably to my articles that as of February 13, the number of them who have become subscribers is 43,157.

## **B. The objective of determining whether judges abused Ms. Martino**

5. This investigation is guided by a question that can be asked in every individual case:
  - a. Did the judges involved in this case have enough evidence to suspect that other participants in the case, e.g., guardians, financial institutions, health care providers, auctioneers, warehousemen, and lawyers, were abusing their position but chose not to pursue with due diligence their suspicions or to disregard them altogether in order to advance their own financial interests and maintain their acceptance among their fellow judges so that *but for* the abuse of power and dereliction of duty by the judges themselves, the abuse by the other participants would not have taken place?
  - b. If so, Ms. Martino and other similarly situated abusees -who can be located by applying the [method for forming a group](#)- will be able to join forces to demand collectively compensation from the participants, including the judges and their judiciaries. Their demand will invoke:
    - 1) the jurisprudence that the judges themselves have developed to hold accountable and liable pedophilic priests and sports officers and doctors as well as their churches and organizations; and
    - 2) the sources of authority that show the unconstitutionality, unlawfulness, and undemocratic nature of the [doctrine of judicial immunity](#) that judges have concocted abusively in self-interest and to the detriment of everybody else.

## **C. The objective of exposing judges' patterns of abuse**

### **1. The nature and importance of patterns**

6. The proposed further investigation aims to detect and expose the most persuasive type of evidence of abuse, namely, patterns of abuse.
  - a. The Racketeer Influenced and Corrupt Organizations Act (RICO) defines 'pattern of racketeering activity as two acts of racketeering activity committed within 10 years'(18 U.S.Code [of federal law only] §1961(5)).
  - b. Judges hold themselves and are held by the politicians who nominate and confirm them to the bench unaccountable. So they risklessly abuse their power and engage in financial criminality. As a result, they run their judiciaries as [racketeering enterprises](#). Cf. *Washington*

<sup>†</sup> [http://Judicial-Discipline-Reform.org/OL2/DrRCordero-Honest\\_Jud\\_Advocates2.pdf](http://Judicial-Discipline-Reform.org/OL2/DrRCordero-Honest_Jud_Advocates2.pdf) from OL2:394-1143

*Post* reporter Carl Bernstein of Watergate fame called the White House run by President Nixon and 'All his Men' a criminal enterprise.

- c. Judges' abuse cannot be explained away as the inadvertent mistakes of an otherwise competent judge in a single case or the repeated mistakes of an incompetent judge; or even the systematic malfeasance of one rogue judge in many of his/her cases.
  - d. Judges' patterns of abuse point to abuse so coordinated among, and extensively practiced by, judges and other participants as to reveal their abuse as their way of doing business. Through their abuse they advance their individual and judicial class interests to the detriment of parties to the cases filed in their courts and the rest of the public.
  - e. Patterns reveal that judges have internalized their abuse by making it their institutionalized modus operandi; and externalized it by coordinating it with outside participants. Whether as principals, who engage in abuse of power or financial criminality, or as accessories, who cover for them, all of them have gone rogue(18 U.S.C. §§2-3; [jur:88§§a-d](#))...and taken their judiciaries with them.
7. A single party, never mind one dealing with judges without a lawyer, that is, pro se, does not stand a chance of protecting his/her rights successfully, let alone obtaining compensation. They lost their case before even filing it in a court.
8. This is precisely what has been shown by the investigations into judges and their judiciaries by ABC competitors as reputable as *The Wall Street Journal*, Thomson Reuters, *The Boston Globe*, and a politician as knowledgeable about financial matters as Senator Elizabeth Warren; and what the International Consortium of Investigative Journalists, headquartered in Washington, DC, can help show thanks to its vast experience in investigations into hidden financial accounts and its use of advanced technology. All of their investigations are referenced in [the article downloadable here](#) and reproduced below.

## **2. Elements for the search for patterns of abuse in this case**

9. The search for patterns of abuse and financial criminality in Ms. Martino's case can start off by determining in how many other cases the following people and entities have dealt with each other:
- a. Judge Edward C. LaRose, Judge Patricia J. Kelly, and Judge J. Andrew Atkins
  - b. professional guardian [Traci Hudson](#), formerly known as Traci Samuel
  - c. Gainesville attorney [John Hayter](#)
  - d. the Florida Department of Children and Families
  - e. the Florida Department of Elder Affairs
  - f. the Pinellas County Sheriff's Office
  - g. the health care facility to which Ms. Martino's father, ward Roland Martino, was committed
  - h. the doctors and nurses who drew up, carried out, and supervised the health treatment of ward Martino
  - i. the prosecutors of Traci Hudson and similar cases referred to, investigated, and/or prosecuted by, their district attorney's office
  - j. other participants in this and similar cases.

### 3. Hiring law and journalism students to search for patterns

10. You, Ms. Martino, and every other abusee can ask ABC reporter Adam Walser at [adam@abcactionnews.com](mailto:adam@abcactionnews.com) and all the other ABC I-Teams to investigate your respective story in search of patterns of judges' abuse and criminality. But thereafter you must not simply sit back and hope that they do it.
11. You can take concrete, reasonable, and feasible steps to investigate your case *in a methodical way and assisted by trained people*. To search for patterns you can apply [the method](#) for seeking the assistance of law and journalism schools.
12. When you contact those schools, ask for the names of students whom even professors hire at an hourly rate to help them with their own academic research. These students are proficient in conducting computer-assisted research on the huge databases of Westlaw, NexisLexis, ProQuest, etc. ([jur:105§b](#)).
13. While you must pay the students, they will save you a considerable amount of effort, money, and frustration. You need not be the only one paying them if you apply the method for [forming a group](#) of similarly situated people abused by the same judges and in the same court as yours.
  - a. You of all can turn your group into the local chapter of the national movement for judicial abuse exposure, compensation, and reform. The precedent for this is very solid: Local chapters of people meeting in their homes and backyards and disciplined enough to discuss the *single issue* of no new taxes eventually coalesced into the TEA Party. The latter grew strong enough to dominate state and presidential elections.
14. Moreover, you can interest the students, professors as well as deans in contacting their classmates and colleagues to investigate judges' abuse of power and financial criminality as the subject matter of a course, seminar, or ABC internship for academic credit, or an article for submission to a respectable professional journal, newspaper, or magazine.
  - a. An investigation in which students participate that ends up at the top of the newscasts and the front page of prestigious publications will serve to enhance the resume that the students have to tender to the recruiters that come to their schools to interview students for summer jobs or their first job after graduation; and the list of achievements that professors will submit to the school committee on tenure, promotion, and review of compliance with the academic requirement "*Publish or Die!*".
  - b. It follows that students and professors have a vested interest in doing the best research and investigative work possible into a story that can provoke national outrage and galvanize the public into action. Therefore, think strategically: argue their own interest, not yours... precisely at the most propitious time:

### D. The objective of turning judges' abuse of power into a decisive issue of the nomination of a justice and the primaries

15. This is the most propitious time to set in motion a state and national investigation into abuse of power and financial criminality committed by judges and their judiciaries because:
  - a. the nomination by President Biden of a justice to succeed retiring Justice Stephen Breyer and the confirmation by the Senate will focus national attention on the background of the nominee. You can help expand that focus to encompass the participation in abuse and criminality by:

<sup>†</sup> [http://Judicial-Discipline-Reform.org/OL2/DrRCordero-Honest\\_Jud\\_Advocates2.pdf](http://Judicial-Discipline-Reform.org/OL2/DrRCordero-Honest_Jud_Advocates2.pdf) from OL2:394-1143

- 1) the justiceship candidates, the nominee, their fellow judges, and the other justices (OL3:1420¶1.d); and
  - 2) the judges in your case and the cases of the members of your group cum local chapter;
- b. the beginning of the primaries is a crucial time for politicians because they have to fix the issues on which they will run and expect to be supported by their fellow politicians and their state and national party committees.
  - c. Likewise, you should strive to make those issues become decisive ones in the mid-term elections. You and your local chapter want to inform the state and national public of, and outrage it at, judges' abuse and criminality so that politicians are compelled to include those issues in their electoral platform and address them at every rally, townhall meeting, and interview.
  - d. You want it to become a decisive issue in the mid-term elections. The reason for this is that only the public wielding its voting power can force politicians to investigate judges officially, pay their abusees compensation, and undertake transformative reform of the power of judges and their judiciaries.

## **E. What you and all other abusees can do to advance your similar interests**

### **1. Writing in up to 500 words your story and emailing it**

16. You all can apply the [two-step method](#) for writing in up to 500 words your respective story of the abuse of power and financial criminality by judges that you have suffered and witnessed. The method will help you to write a story that is accurate, significant, and verifiable. A lot rides on it.
17. Indeed, a rambling, incoherent, whining anecdote will put off every reporter, student, professor, and even fellow abusee. If you cannot show in the first 500 words that you have a case of outrageous abuse and criminality by judges, the next 500 will not even be read. If reporters want more information, they will ask you to send it to them.
18. Just as you must not send tens of pages in the body of the email, you must not send any attachment. In fact, people who know about the computer malware that can lurk in attachments do not even open them. This explains why there are email servers that upon receipt of an email with attachments do not forward it to their addressees, but rather send it back to the sender.
19. Nor can you merely send 'a bunch' of links and ask or simply expect the addressee to 'scrounge' for heads or tails in a basket case. You are the one asking for your addressee's attention. You are the one who has to go through your documents and write a brief story in up to 500 words that is informative, highlights only the most outrageous conduct, and provides data enabling verification and the search for patterns.
20. Relax: The [two-step method](#) is intended to make it easy for you to produce such a story. You only need to be so outraged by what judges have done and allowed others to do to you that you are determined to take advantage of this most propitious time to write your story: when even a reporter of a national media network is generously asking you to send it to him.
21. Consequently, do your homework. Compose your best story. Then email it to ABC reporter Adam Walser at [adam@abcactionnews.com](mailto:adam@abcactionnews.com). Ask that he investigate it or refer it to the appropriate ABC I-Teams and fellow reporters across the country.
22. The more stories Mr. Walser receives, the more he, his assigning editor, and his fellow ABC reporters will realize that they got an issue with broad audience appeal. That is what scoops are

made of. Reporting on it is how Pulitzer Prizes are won.

23. To encourage as many people to write their story and email it to him, help this and my other articles go viral: **Open them**, click **“Reply All”**, and **“Send”**.

## **2. Promoting unprecedented citizens hearings**

24. Make it a point to interest Mr. Walser and his fellow reporters in holding the proposed UNPRECEDENTED CITIZENS HEARINGS.
- a. The citizen hearings will be held by media outlets, reporters, professors, and students of law, journalism, business, Information Technology, and social sciences.
  - b. Their venue will be media stations, university auditoriums, and video conferences, which will make participation and attendance possible everywhere and inexpensive.
  - c. The citizens hearings will afford you and many other abusees and people who witnessed abuse or even committed it, lest they be punished, a chance to do what is an essential element of the quest for justice of all of you: tell your stories to the public and let out that feeling that is burning you inside with pain and humiliation:

**The judges had all the power...**

and i was nothing!

- d. The national public is willing to listen to you, for your story will resonate with it as has the self-assertive rallying cry of the *MeToo!* and BLM movements and those against police brutality, and for racial and socio-economic equality:

*Enough is enough!*

**We won't take any abuse from anybody anymore.**

25. By promoting the UNPRECEDENTED CITIZENS HEARINGS you can do your part in setting in motion a national, single issue, apolitical, civic movement for judicial abuse of power exposure, compensation of abusees, and reform through transformative reform.

## **F. My offer of a presentation to you and your group of colleagues and guests**

26. I offer to present this article and answer questions via [video](#) conference and, if in NY City, in person, to you and your group.
27. To schedule the presentation you may use my contact information below.

## **G. Every meaningful cause needs resources for its advancement; none can be continued, let alone advanced, without money**

28. Lip service advances nothing; but it continues to enable the abusers.
29. Put your money where your outrage at abuse and quest for justice are. Support the professional law research and writing, and strategic thinking of **Judicial Discipline Reform**.
30. **DONATE** by making a deposit or an online transfer through either the Bill Pay feature of your online account or Zelle

from your account      to TD Bank account # 43 92 62 52 45, routing # 260 13 673;

## **B. Subjects for commissioning one or a series of articles**

133. judges’ unaccountability(\*>OL:265) and their riskless abuse of power(\*>jur:5§3; OL:154§3);
134. statistical analysis for the public(<sup>†</sup>>OL2:455§§B-E, 608§A) and for researchers(jur:131§b);
135. significance of federal circuit judges disposing of 93% of appeals in decisions “on procedural grounds [i.e., the pretext of “lack of jurisdiction”], unsigned, unpublished, by consolidation, without comment”, which are unresearched, reasonless, ad-hoc, arbitrary, fiat-like orders, in practice unappealable(OL2:453);
136. to receive ‘justice services’(OL2:607) parties pay courts filing fees, which constitute consideration, whereby a contract arises between them to be performed by the judges, who know that they will in most cases not even read their briefs(OL2:608§A), so that courts engage in false advertisement, fraud in the inducement, and breach of contract(OL2:609§2);

137. Justiceship Nominee Judge Neil Gorsuch said, “An attack on one of our brothers and sisters of the robe is an attack on all of us”: judges’ gang mentality and abusive hitting back(OL2:546);
138. fair criticism of judges who fail to “avoid even the appearance of impropriety”(jur:68<sup>123a</sup>);
139. abuse-enabling clerks(OL2:687), who fear arbitrary removal without recourse(jur:30§1);
140. law clerks’ vision at the end of their clerking for a judge of the latter’s glowing letter of recommendation (OL2:645§B) to a potential employer morally blinds them to their being used by the judge as executioners of his or her abuse;
141. judges dismiss 99.82% of complaints against them(jur:10-14; OL2:548), thus arrogating to themselves impunity by abusing their self-disciplining authority(jur:21§a);
142. escaping the futility of suing judges(OL2:713, 609§1): the out-of-court inform and outrage strategy to stir up the public into holding them accountable and liable to compensation(OL2:581);
143. how law professors and lawyers act in self-interest to cover up for judges so as to spare themselves and their schools, cases, and firms retaliation(jur:81§1; Lsch:17§C): their system of harmonious interests against the interests of the parties and the public(OL2:635, 593¶15);
144. turning insiders into Deep Throats(jur:106§C); outsiders into informants(OL2:468); and judges into criers of ‘MeToo! Abusers’(OL2:682¶¶7,8) that issue an *I accuse!*(jur:98§2) denunciation of judges’ abuse: thinking and acting strategically(OL2:635, 593¶15) to expose judges’ abuse by developing allies who want to become Workers of Justice(OL2:687), as opposed to being enforcers of abuse or enablers by endorsement or willful ignorance or blindness;
145. two unique national stories, not to replace a rogue judge, but to topple an abusive judiciary:
  - a. *Follow the money!* as judges grab(OL2:614), conceal(jur:65<sup>107a,c</sup>), and launder(105<sup>213</sup>) it;
  - b. The Silence of the Judges: their warrantless, 1st Amendment freedom of speech, press, and assembly-violative interception of people’s emails and mail to detect and suppress those of their critics(OL2:582§C;OL3:1228);
    - 1) made all the more credible by Former CBS Reporter Sharryl Attkisson’s \$35 million suit against the Department of Justice for its illegal intrusion into her computers to spy on her ground-breaking investigation and embarrassing reporting(OL2:612§b);
    - 2) by using Information Technology examination and statistical analysis, such interception and contents-based suppression can be exposed, which will provoke a scandal graver than that resulting from Edward Snowden’s revelations of NSA’s massive illegal collection of only non-personally identifiable metadata(OL2:583§3);
    - 3) the exposure can be bankrolled as discreetly as Peter Thiel, co-founder of PayPal, bank-rolled the suit of Hulk Hogan against the tabloid Gawker for invasion of privacy and thereby made it possible to prosecute and win a judgment for more than \$140 million(OL2:528);
    - 4) principles can be asserted and money made by exposing judges’ interception;
146. launching a Harvey Weinstein-like(jur:4¶¶10-14) generalized media investigation into judges’ abuse of power as their institutionalized modus operandi; conducted also by journalists and me with the benefit of the numerous leads(OL:194§E) that I have gathered;
147. **Black Robed Predators**(OL:85) or the making of a documentary as an original video content by a media company or an investigative TV show, with the testimony of judges’ victims, clerks, lawyers, faculty, and students; and crowd funding to attract to its making and viewing the crowd that advocate honest judiciaries

and the victims of judges' abuse of power;

148. promoting the unprecedented to turn judges' abuse of power into a key mid-term elections issue and thereafter insert it in the national debate:

- a. the holding by journalists, newsanchors, media outlets, and law, journalism, business, and IT schools in their own commercial, professional, and public interest as *We the People's* loudspeakers of nationally and statewide televised citizens hearings(OL2:675§2, 580§2) on judges' unaccountability and consequent riskless abuse;
- b. a forensic investigation by Information Technology experts to determine whether judges intercept the communications of their critics(OL2:633§D, OL2:582§C);
- c. suits by individual parties and class actions to recover from judges, courts, and judiciaries filing fees paid by parties as consideration for 'justice services'(OL2:607) offered by the judges although the latter knew that it was mathematically(OL2:608§A; 457§D) impossible for them to deliver those services to all filed cases; so the judges committed false advertisement and fraud in the inducement to the formation of service contracts, and thereafter breach of contract by having their court and law clerks perfunctorily dispose of cases by filling out "dumping forms"(OL2:608 ¶ 5);
- d. suits by clients to recover from their lawyers attorneys' fees charged for prosecuting cases that the lawyers knew or should have known(jur:90§§b, c) the judges did not have the manpower to deliver, or the need or the incentive to deal with personally, whereby the lawyers committed fraud by entering with their clients into illusory contracts that could not obtain the sought-for 'justice services'; and
- e. suits in the public interest to recover the public funds paid to judges who have failed to earn their salaries by routinely not putting in an honest day's work, e.g., closing their courts before 5:00 p.m., thus committing fraud on the public and inflicting injury in fact on the parties who have been denied justice through its delay(cf. OL2:571¶24a);

149. how parties can join forces to combine and search their documents for communality points (OL:274-280; 304-307) that permit the detection of patterns of abuse by one or more judges, which patterns the parties can use to persuade journalists to investigate their claims of abuse;

150. the development of my website Judicial Discipline Reform at <http://www.Judicial-Discipline-Reform.org>, which as of March 11, 2022, had 43,463+ subscribers, into:

- a. a **clearinghouse** for complaints against judges uploaded by the public;
- b. a **research center** for professionals and parties(OL2:575) to search documents for the most persuasive evidence of abuse: patterns of abuse by the same judge presiding over their cases, the judges of the same court, and the judges of a judiciary; and
- c. the **showroom and shopping portal** of a multidisciplinary academic and business venture (jur:119§§1-4). It can be the precursor of the institute of judicial unaccountability reporting and reform advocacy attached to a top university or established by a consortium of media outlets and academic institutions(jur:130§5);

151. a tour of presentations(OL:197§G) by me sponsored by you on:

- a. judges' abuse(jur:5§3; OL:154 ¶ 3);
- b. development of software to conduct fraud and forensic accounting(OL:42, 60); and to perform thanks to artificial intelligence a novel type of statistical, linguistic, and literary analysis of judges' decisions and other writings(jur:131§b) to detect bias and disregard of the requirements of due process and

equal protection of the law;

- c. promoting the participation of the audience in the investigation(OL:115) into judges' abuse; and their development of local chapters of investigators/researchers that coalesce into a Tea Party-like single issue, civic movement(jur:164§9) for holding judges accountable and liable to their victims: *the People's Sunrise*(OL:201§J);
  - d. announcement of a Continuing Legal Education course, a webinar, a seminar, and a writing contest(\*>ddc:1), which can turn the audience into clients and followers;
152. a multimedia, multidisciplinary public conference(jur:97§1; \*>dcc:13§C) on judges' abuses held at a top university(OL2:452) to pioneer the reporting thereon in our country and abroad;
153. the call of the constitutional convention(OL:136§3) that 34 states have petitioned Congress to convene since April 2, 2014, satisfying the amending provisions of the [Constitution](#), Article V.
