Subject Fwd: 198 Methods of Nonviolent Action by American Gandhian Gene Sharp

Far too often people struggling for democratic rights and justice are not aware of the full range of methods of nonviolent action. Wise strategy, attention to the dynamics of nonviolent struggle, and careful selection of methods can increase a group's chances of success. Inspired by Mahatma Gandhi, American Professor Gene Sharp researched and catalogued these 198 methods and provided a rich selection of historical examples in his seminal work, *The Politics of Nonviolent Action* (3 Vols.) Boston: Porter Sargent, 1973.
