Dear Mr. Andrews and Addressees in the TO: box of this email[♦],

On June 24, 2022, I sent my [first letter](#)[‡] to former police officer and now NYC Mayor Eric Adams, his Chief of Staff Frank Carone, Public Advocate Jumaane Williams, and before and after that date also to the Bronx council members, commissioners, judges, et al., to inform them, and request an investigation, of the evidence that I had collected first-hand of the public corruption in criminal cases described hereunder, which involves prosecutors and NYPD officers, including detectives, seeking indictments based on false accusations, and a cover-up by judges, the NYPD, and other public officers.

On July 21, you sent me the following email:

For future reference, your correspondence number is 1-1-2213769.

Sincerely,

The City of New York

No public officer of the City of New York whom I have contacted by phone or email knows what to do with that "correspondence number". Do you?

Whatever that "agency" is that sent me that email, it intended to commit a pretense of a reply calculated to lead nowhere, and as such meaningless and useless. Here applies a tenet of the law of torts that provides: "people are deemed to intend the foreseeable consequences of their actions".

I respectfully request that you take the following actions:

- a. read the statement below to grasp the gravity of the complaint affecting countless people indicted, prosecuted, imprisoned, and tainted by a criminal record based on false accusations presented to a grand jury by prosecutors and NYPD officers;
- b. bring this matter to the attention of the Mayor's chief of staff for the appointment of independent investigators that do not have a conflict of interests about investigating the NYPD because they, unlike Mayor Adams, never were police officers, or for that matter, prosecutors or judges; and
- c. ask me in for an interview with you and the chief of staff via video conference or in person.

Meantime, I continue with the preparation of the class action, as described infra.

Every day in which the inaction persists of the public officers that know from me or others of this complaint will cause the outrage of those directly affected and the rest of the state and national public to be exponentially more intense and vocal when they learn how recklessly and with what callous indifference those officers in self-interest disregarded their individual and collective duty to investigate or cause the investigation of, and stop, the public abuse of power and corruption underlying the complaint and the explicit or implicit complicit coordination of its cover-up.

Those likely to number in the thousands who on false criminal accusations have been sent to, and kept jailed in, that place festering with violence, humiliation, and depravity, namely, the Rikers Island Prison, or who have lost their jobs or been evicted due to having been indicted, or been financially devastated to raise bail, will demand from those responsible therefor *in their official and individual capacities* correspondingly devastating compensation in line with the [cited precedent](#).

What would you do in their place?

Juries have awarded \$1.4 billion to the parents and relatives of the Sandy Hook victims for the defamatory words of Alex Jones and their practical injurious consequences.

I look forward to hearing from you.

Sincerely, Dr. Richard Cordero, Esq.

Bronx districts leaders Vanessa Gibson, Diana Ayala, Eric Dinowitz, Kevin C. Riley, Marjorie Velázquez, Pierina Ana Sanchez, Oswald Feliz, Althea Stevens, Rafael Salamanca, Jr., Amanda Farías; Bronx Advocate Socrates Solano; and NYC Public Advocate Jumaane Williams

Dear Mayor Adams, Mr. Carone, and Bronx districts and NYC leaders,‡

I entered an official position upon swearing to discharge my duties “faithfully”. While so discharging them, I acquired information involving judicial, prosecutorial, and police officers of substantial importance that you too should without delay acquire and investigate as part of your official duties. I have written down that information in an 8-page, 4,743-word sworn statement titled “Emergency Application” and dated May 26, 2022. I submitted it to Administrative Judge Alvin Yearwood of the Supreme Court, Bronx County Criminal Term, 265 East 161st Street, Bronx, NY 10451; tel. (718)618-3700.* Given its origin in a criminal court, the information concerns criminal matters and affects your constituents directly, being apt to deprive them of their property, liberty, and life. In fact, the Criminal Procedure Law provides serious penalties, including imprisonment, for the unauthorized disclosure of it. So, I proceed prudently.

Aware of the inherent conflict of interests in investigating one’s colleagues and friends, and thus incriminating oneself, I wrote on May 28, to the six top judicial and police officers named in the letter hereunder‡. I asked that they contact Judge Yearwood and request that he send them a copy of the “Application”. I have made numerous calls to each of them to find out how they have handled and intend to handle the information in it, to no avail. Yet, Judge Yearwood has a duty to “cooperate with other judges and court officials in the administration of court business”. You are an “authority empowered to investigate or act upon such violation” of law as described in the “Application”. Therefore, I respectfully request that you ask Judge Yearwood and those six top judicial and police officers to send you a copy of it so that you may conduct an investigation separately or jointly with other Bronx district leaders. The onus to investigate is now on you.

Would you expect and demand that an investigation be conducted “diligently” and “efficiently and effectively” if you were suffering the wrongdoing of public officers? Wrongdoing by police officers has eroded public trust in them so gravely as to spark the movement against their brutality and for defunding them. The involvement of national politicians in organizing the January 6 insurrection to overturn *We the People*’s electoral will has shocked many. The revelation by *The Wall Street Journal* in a series of articles beginning with that of September 28, 2021, titled “131 Federal Judges Broke the Law by Hearing Cases Where They Had a Financial Interest” has shown that judges can be risklessly corrupt in reliance on their colleagues’ cover-up: not one of them has been disciplined, let alone prosecuted. They are held by themselves and friends unaccountable.

If people come to suspect that inaction is the result of a cover-up among officers of the three branches, all officers, including you, will suffer an unprecedented erosion of public trust. If such trust is of no concern to you, money should be: Ninety gymnasts sued the FBI and agents for over \$1 billion last June 8, for its failure to act on the complaints against sexual predator Dr. Larry Nassar filed with FBI agents and the FBI’s cover-up of their inaction. The U.S. Court of Appeals for the Fourth Circuit held in *Strickland v. U.S.* that the Federal Judiciary itself and its officers in their official and individual capacities can on constitutional grounds be sued and held liable. You can whether motivated by principles or opportunism use the “Application” information to become nationally recognized by a grateful *People* as one of their Champions of Justice.

Sincerely, *Dr. Richard Cordero, Esq.*

City Hall
New York, NY 10007
tel. (212)639-9675; <https://www1.nyc.gov/office-of-the-mayor/mayor-contact.page>

Dear Mayor Adams and Mr. Carone,[‡]

This is a follow-up to my letter of last June 24, reproduced on the back hereof, where I informed you that after entering an official position, I acquired substantially important information involving judicial, prosecutorial, and police officers that you should investigate as part of your duties. I stated that information in an 8-page, 4,743-word sworn “Emergency Application” of May 26. I submitted it to Administrative Judge Alvin Yearwood of the Supreme Court, Bronx County Criminal Term, where the information originated, and requested that you ask him for a copy.

I have not heard from you. That is disappointing and telling, for I brought to your attention probable cause to believe that there is organized wrongdoing by public officers duty-bound to enforce the law and administer justice, which implies that innocent people are being victimized. If you were the target of an unfounded accusation, never mind if as a result you were committed to Rikers, you would want and expect public officers with authority to help you to proceed with a sense of urgency and personal responsibility. This should be quite understandable since you too must know the outrageous amount of abuse, violence, and humiliation that fester in Rikers.

Judge Yearwood has not answered my “Emergency Application” either. Instead, he referred it to Judge Laurence Bushing, who enabled and covered up the organized wrongdoing. The text of his letter and my comment thereon are in my letter attached hereto. I am complaining against both.

It follows that regardless of what you may have been or may yet be told, the “Emergency Application” has not been disposed of or dismissed...far from it. Indeed, it is not realistic to expect that I will drop the “Application” despite my duty to carry it on as the holder that I was of an official position, the lawyer that I am, and the responsible citizen that I intend to continue to be.

Therefore, I respectfully reiterate my request that you call Judge Yearwood at (718)618-3700 to ask that he forward to you a copy of the “Emergency Application” together with the related “evidence” and transcripts mentioned therein so that you may promptly begin your investigation. If you issue an order for me to release the “Application” to you, I will comply with it.

The information in the “Application” can cause an unprecedented erosion of trust in public officers if people come to suspect that inaction is the result of a cover-up among officers of those branches of government protecting themselves rather than the people that they are sworn to protect.

If public trust is of no concern to you, money should be: Ninety gymnasts sued the FBI and agents for **over \$1 billion** last June 8, for its **failure to act** on the complaints against sexual predator Dr. Larry Nassar brought to FBI agents and the FBI’s cover-up of their inaction. The Court of Appeals for the **Fourth Circuit** held in *Strickland v. U.S.* that the Federal Judiciary and its officers in their official and individual capacities can on constitutional grounds be sued and held liable.

Motivated by either principles or opportunism, you can use the “Application” information to become nationally recognized by a grateful *People* as one of their Champions of Justice.

Sincerely, *Dr. Richard Cordero, Esq.*

Carol M. Hamm, Esq.
Deputy Inspector General

Dear Chief Judge DiFiore, Judges Marks and Kaplan, Chief Barrere, and IGs Spatz and Hamm,[‡]

I entered an official position upon swearing to discharge my duties “faithfully”. While so discharging them, I acquired information involving judicial, prosecutorial, and police officers of substantial importance that you too should without delay acquire and investigate as part of your official duties. I have written down that information in an 8-page, 4,743-word sworn “Emergency Application” of May 26, 2022. I submitted it to Administrative Judge Alvin Yearwood, Supreme Court, Bronx County Criminal Term, 265 East 161st St., Bronx, NY 10451; tel. (718)618-3700.*

The NY Criminal Procedure Law warns that a person who discloses such information, except under court order, is subject to serious penalties, including imprisonment. Therefore, I respectfully request that you contact Judge Yearwood and ask that he release to you a copy of my Application so that you may promptly start your joint and several investigation of it given that each of you is an “authority empowered to investigate or act upon” such information.

Indeed, I have a legal and ethical duty to bring this information to your attention. That duty flows from NY Rules Of [Professional Conduct](#) (22 N.Y.C.R.R. Part 1200), which provides thus:

Rule. 8.3. REPORTING PROFESSIONAL MISCONDUCT(a). A lawyer who knows that another lawyer has committed a violation of the Rules of Professional Conduct that raises a substantial question as to that lawyer’s honesty, trustworthiness or fitness as a lawyer shall report such knowledge to a tribunal or other authority empowered to investigate or act upon such violation.

Conversely, Judge Yearwood has a duty under the Rules of the Chief Administrative Judge PART 100. [Judicial Conduct](#), (C) Administrative Responsibilities.(1) to “diligently discharge the judge's administrative responsibilities without bias or prejudice” to protect fellow judges, staff, and others, and “cooperate with other judges and court officials in the administration of court business.”

I also have a civic duty to report this information to you. That duty has been repeatedly declared and instilled in the citizenry in the guiding principle of civic conduct, “If you see something, say something”. I did see something...and then some...so I am saying it to you.

After you request from Judge Yearwood my Application and I receive from you an order to discuss it with you in person in NYC or by video conference, I will comply. I look forward to your acknowledgment of receipt of this letter and your statement of what you intend to do about it.

Sincerely, *Dr. Richard Cordero, Esq.*

Dear Chief Judge DiFiore, Judges Marks and Kaplan, Chief Barrere, and IGs Spatz and Hamm,[‡]

This is a follow-up to my May 28 letter, where I informed you that after entering an official position, I acquired substantially important information involving judicial, prosecutorial, and police officers that you should investigate as part of your official duties. I stated that information in an 8-page, 4,743-word sworn “Emergency Application” dated May 26, 2022. I submitted it to Administrative Judge Alvin Yearwood, tel. (718)618-3700, of the Supreme Court, Bronx County Criminal Term, where the information originated, and requested that you ask him for a copy.

I have received no letter acknowledging your receipt of mine. Yet, that information concerns criminal matters. It is so sensitive that the Criminal Procedure Law provides serious penalties, including imprisonment, for the unauthorized disclosure of it. That should have alerted you to the need to act “efficiently and effectively” because you have a duty to “diligently discharge [your] responsibilities” and Judge Yearwood has a duty to “cooperate with other judges and court officials in the administration of court business”. Moreover, you have the means of calling him and meeting virtually with him and others in a teleconference, as follows from Chief Administrative Judge Lawrence K. Marks’ [2021 Annual Report](#) on the NYS UCS. There he highlights that “we adopted and then mastered virtual technology to...ensure access to justice in the broadest range of cases”.

Chief DiFiore’s [Excellence Initiative](#) can only succeed if it promotes people’s trust in officers with the integrity needed to deliver the “level of justice services people have a right to expect and deserve”. That trust has been so battered as to spark the movement against police brutality and for defunding the police. The information at stake can so outrage people as to cause them to extend their distrust to prosecutors and judges. The suspicion that inaction is the result of a cover-up among the three branches will exacerbate such outrage. If public trust is of no concern to you, money should be: Ninety gymnasts sued the FBI for [over \\$1 billion](#) last June 8, for its [failure to act](#) on the complaints against sexual predator Dr. Larry Nassar filed with FBI agents and the FBI’s cover-up of their inaction. The Court of Appeals for the [Fourth Circuit](#) held in [Strickland v. U.S.](#) that the Federal Judiciary and its officers in their individual and official capacities can be sued and held liable.

Thus, I respectfully request that you inform me of the action that you have taken and intend to take concerning the information at stake. Conversely, I inform you that I am asking political leaders to do likewise by contacting you. Motivated by either principles or opportunism, whether to protect their constituents, in general, and those already, and yet to be, victimized, in particular, or to further their own careers, they may cause you to “diligently discharge [your] responsibilities”.

Sincerely, *Dr. Richard Cordero, Esq.*
