**Joining forces to make  
the two-phase method for writing  
your story of the abuse by judges and guardians  
that you have suffered or witnessed go viral  
so as to increase the chances that  
you will tell your story at the proposed  
UNPRECEDENTED CITIZENS HEARINGS<sup>‡</sup>**

Dear Advocates of Honest Judiciaries,

Thank you for your encouraging reply to my article on the two-phase method for writing your story of abuse by judges and guardians that you have suffered or witnessed ([OL3:1329](#)). Some have asked me to set forth how we can work together to advocate judicial and guardianship reform.

**A. Steps for working together**

1. KNOWLEDGE IS POWER. We share a common objective: to attain judicial [abuse of power](#) exposure, [compensation](#) of abusees, and reform of the system of justice through transformative change. The latter means that what goes into change comes out as a different entity. In this context, it means that the change will enable *We the People*, the Masters of all public servants, to exercise our right to hold them, including judicial public servants, accountable for the public power entrusted to them and liable to compensate the victims of their abuse.
2. The first step for you, your group, and me to take jointly toward attaining that objective is to read this [article](#) because:
  - a. That is the only way of learning a different strategy, namely, the [out-of-court strategy](#) for informing the national public about, and outraging it at, power abusive judges, including their cronies, such as [guardians](#).
    - 1) This strategy recognizes the futility of complaining about judges in their courts, which are their turf, where they disregard the law, interpret it however they want, and make rules on the go in order to ensure reciprocally their unaccountability.
    - 2) Rather than blindly or ignorantly expecting judges to subject their fellow judges, peers, and friends to ‘equal justice under law’, the out-of-court strategy relies realistically on an informed and outraged national public, the only entity strong enough to force exposure, compensation, and reform in spite of the power and intertwined interests of judges and the [legislators](#) who put them on the bench.
  - b. The system of justice, in general, and probate court, in particular, cannot be reformed from the inside: The judges and their cronies will not turn against each other or hold each other accountable, let alone liable to compensate the victims of their abuse.
  - c. Even if a just system were devised on paper, the same judges would be the ones called upon to implement it. Whether they have committed abuse as principals or become accessories before or after the fact, their implementation would be in the self-interest of covering for themselves and each other. Nothing would change, for ‘the law says whatever the judge wants it to say’.
  - d. To gain knowledge about how judges and their judiciaries work in practice rather than in theory on paper, read as much as you can of my three-volume study of them, which is based on

professional law research and writing, and strategic thinking. It is titled and downloadable thus:

**Exposing Judges' Unaccountability and Consequent Riskless Abuse of Power:  
Pioneering the news and publishing field of judicial unaccountability and abuse reporting\* † ♣**

- e. Many of my articles are posted to my website **Judicial Discipline Reform** at <http://www.Judicial-Discipline-Reform.org>. They have attracted so many webvisitors and the latter have reacted to them so positively that **39,086+** of them have become subscribers to the site as of July 12, 2021([Appendix 3](#)).
  - 1) How many law firms, never mind lawyers, do you know who have a website with so many subscribers?
  - 2) You can join the subscribers thus: go to <http://www.Judicial-Discipline-Reform.org> <left panel ↓Register or + New or Users >Add New.

**B. Writing your story to be accurate, significant, and verifiable**

3. By reading the [article](#) on the two-phase writing method, you will learn how to write your story in up to 500 words and make it contain the most accurate, significant, and verifiable data capable of best informing and most outraging the public.
  - a. You need to provide accurate data of the kind listed in the article so that your story is based on facts rather than fading memories and lazy approximations.
  - b. A significant story is not one that renders tribute to the accomplishments and noble nature of your abused loved one. Rather it is one that incriminates the abusers and outrages the audience. It must describe the conduct of judges that have institutionalized abuse as their way of doing business in order to run their judiciary as a [racketeering enterprise](#).
  - c. Verifiable information will lend credence to your story and instill in journalists and academics enough confidence to research it further([OL:194§E](#)).

**C. If the article goes viral, it can lead to many stories and the citizens hearings**

4. We want the article to go viral so that the largest number of people learn how to write their story so that it is accurate, significant, and verifiable, stated in up to 500 words, and addressed to the people in a position to make it available to the national public.
  - a. By reading the article, you will learn that the “public meetings” that the [Biden Commission](#) on the reform of the Supreme Court is mandated to hold have not yet been announced. So it is not known whether the commissioners will meet to discuss among themselves but in public or they will meet with the public to hear its complaints, whether the latter will be about not only justices of the Supreme Court, but also judges in the lower courts; and proposals for reform of individual courts and the whole system of justice.
  - b. By inundating([OL3:1147§D](#)) the Commission with stories of abuse committed by judges throughout the judiciary with the complicity of the justices, we want to force the Commission to discuss at its “meetings”, not the theory of constitutional law relating to the Court, but rather the practice of abuse of justices, judges, and [congressional](#) and state politicians who put them in office and thereafter have in their self-interest held them there unaccountable.
  - c. The stories should be sent as soon as possible before the Commission fixes the nature of its “public meetings”.

- d. The email address of each member of the Commission is provided below. Send your story to the commissioners repeatedly until you receive an acknowledgment of receipt...and thereafter keep asking them when you will be able to tell your story to the national public.
- e. The commissioners will not let you to do so: For the reasons explained below, they are compromised by their conflict of interests(OL3:1308§D).
- f. Accordingly, you should send your story to the journalists and academics whose email addresses appear below. They can let you tell your story to the national public by holding the proposed UNPRECEDENTED CITIZENS HEARINGS.
- g. Share the article below with friends and relatives, and post it to social media, such as:

Facebook, Youtube, LinkedIn, Instagram, Reddit,

Google Plus, Pinterest, Snapchat, WhatsApp,

Twitter: Request that the Biden Commission on Supreme Court reform hold public meetings & journalists and universities hold citizens hearings where people can tell their story of judges' abuse of power; [http://Judicial-Discipline-Reform.org/OL2/DrRCordero\\_method\\_for\\_writing\\_your\\_story.pdf](http://Judicial-Discipline-Reform.org/OL2/DrRCordero_method_for_writing_your_story.pdf)

#### **D. Your reading and feedback group**

- 5. To make it easier for the members of your organization, friends, and relatives to read the article I suggest that you get together with them via video conference. Regardless of whether they are in your neighborhood or anywhere else in our country, on that occasion one person at a time can read aloud a section. Then anybody can comment briefly on how it helps to write an accurate, significant, and verifiable story. Thereafter, another person can read the next section and so on.
- 6. At your next video conference a week later, each person can read aloud his or her story in up to 500 words. Thereafter anybody can comment critically on how it was written and its most important contents: what the writer identified as the most outrageous abuse by judges and their cronies.
  - a. All of you will realize that if the story is well written, all its most outrageous abuse can be stated in up to 500 words, which will grip everybody's attention; and if it is poorly written, nobody will pay attention to the next 500 words.
  - b. This will be an opportunity for everybody to use group feedback to revise their story and rehearse telling it either at a Commission "public meeting" or an unprecedented citizens hearing. You will only have 500 words and five minutes to tell your story and outrage the national public. Revisions and rehearsals make perfect!

#### **E. My offer to make a presentation to your group**

- 7. I offer to make a presentation on the article hereunder to you and your group followed by a Q&A session. It can take place via video conference and, if in New York City, in person.
- 8. To ascertain the quality of my presentation, watch my [video](#) and follow it on its [slides](#).
- 9. To schedule it and agree on its terms, use my contact information below.

#### **F. Sharing and posting the article so that it goes viral and many stories are written and submitted**

- 10. You may wish to share the article hereunder with the people that you have caused to follow your

relative's case in order to invite them to apply the two-phase method of writing their story of abuse by judges and guardians, and send it to the members of the Biden Commission on the reform of the Supreme Court and journalists, whose email addresses are provided hereunder.

11. Our objective is to make the article go viral. The greater the number of stories sent in:
  - a. the more pressure will be exerted on the commissioners to hold their mandated "public meetings" as public hearings where they and the rest of the national public hear the stories of abusees; and
  - b. the more persuasive our proposal will become that journalists together with academics hold unprecedented citizens hearings. There you, your followers, and so many other abusees will be able to tell your stories to the national public, thus informing it about, and outraging it at, the abuse and stirring it up to compel effective reform of the judiciary and the guardianship system.
12. Nothing will help you and your relative's case as turning the national public into your ally in your fight with abusive judges and guardians. That is how you can emerge from being merely one among millions of abusees into the role of a nationally recognized Champion of Justice.
13. Time is of the essence. The Commission only has six months to turn in its report.
14. Moreover, we want to turn the issue of judges' and guardians' abuse into:
  - a. a dominant issue of the national debate that will follow the presentation of the report; and
  - b. the distinguishing campaign issue of candidates in the primaries of the 2022 mid-term elections.
15. We need to think strategically and act with dispatch.

**G. Every meaningful cause needs resources for its advancement;  
none can be continued, let alone advanced, without money**

Lip service advances nothing;  
but it continues to enable the abusers.

16. To continue and advance our common cause:

**Put your money  
where your outrage at abuse and  
passion for justice are.**

## **B. Subjects of a series of articles based on the study\* † \* of judges and their judiciaries**

107. judges' unaccountability(\*>OL:265) and their riskless abuse of power(\*>jur:5§3; OL:154§3);
108. statistical analysis for the public(†>OL2:455§§B-E, 608§A) and for researchers(jur:131§b);
109. significance of federal circuit judges disposing of 93% of appeals in decisions "on procedural grounds [i.e., the pretext of "lack of jurisdiction"], unsigned, unpublished, by consolidation, without comment", which are unresearched, reasonless, ad-hoc, arbitrary, fiat-like orders, in practice unappealable(OL2:453);
110. to receive 'justice services'(OL2:607) parties pay courts filing fees, which constitute consideration, whereby a contract arises between them to be performed by the judges, who know that they will in most cases not even read their briefs(OL2:608§A), so that courts engage in false advertisement, fraud in the inducement, and breach of contract(OL2:609§2);
111. Justiceship Nominee Judge Neil Gorsuch said, "An attack on one of our brothers and sisters of the robe is an attack on all of us": judges' gang mentality and abusive hitting back(OL2:546);
112. fair criticism of judges who fail to "avoid even the appearance of impropriety"(jur:68<sup>123a</sup>);
113. abuse-enabling clerks(OL2:687), who fear arbitrary removal without recourse(jur:30§1);
114. law clerks' vision at the end of their clerking for a judge of the latter's glowing letter of recommendation(OL2:645§B) to a potential employer morally blinds them to their being used by the judge as executioners of his or her abuse;
115. judges dismiss 99.82% of complaints against them(jur:10-14; OL2:548), thus arrogating to themselves impunity by abusing their self-disciplining authority(jur:21§a);
116. escaping the futility of suing judges(OL2:713, 609§1): the out-of-court inform and outrage strategy to stir up the public into holding them accountable and liable to compensation(OL2:581);
117. how law professors and lawyers act in self-interest to cover up for judges so as to spare themselves and their schools, cases, and firms retaliation(jur:81§1): their system of harmonious interests against the interests of the parties and the public(OL2:635, 593§15);
118. turning insiders into Deep Throats(jur:106§C); outsiders into informants(OL2:468); and judges into criers of 'Me Too! Abusers'(OL2:682§§7,8) that issue an *I accuse!*(jur:98§2) denunciation of judges' abuse: thinking and acting strategically(OL2:635, 593§15) to expose judges' abuse by developing allies who want to become Workers of Justice(OL2:687), as opposed to being enforcers of abuse or enablers by endorsement or willful ignorance or blindness;
119. two unique national stories, not to replace a rogue judge, but to topple an abusive judiciary:
  - a. *Follow the money!* as judges grab(OL2:614), conceal(jur:65<sup>107a,c</sup>), and launder(105<sup>213</sup>) it;

- b. The Silence of the Judges: their warrantless, 1st Amendment freedom of speech, press, and assembly-violative interception of their critics' communications(OL2:582§C);
  - 1) made all the more credible by Former CBS Reporter Sharryl Attkisson's \$35 million suit against the Department of Justice for its illegal intrusion into her computers to spy on her ground-breaking investigation and embarrassing reporting(OL2:612§b);
  - 2) the exposure of such interception can provoke a scandal graver than that resulting from Edward Snowden's revelations of NSA's massive illegal collection of only non-personally identifiable metadata(OL2:583§3);
  - 3) the exposure can be bankrolled as discreetly as Peter Thiel, co-founder of PayPal, bankrolled the suit of Hulk Hogan against the tabloid Gawker for invasion of privacy and thereby made it possible to prosecute and win a judgment for more than \$140 million(OL2:528);
  - 4) principles can be asserted and money made by exposing judges' interception;
120. launching a Harvey Weinstein-like(jur:4¶¶10-14) generalized media investigation into judges' abuse of power as their institutionalized modus operandi; conducted also by journalists and me with the benefit of the numerous leads(OL:194§E) that I have gathered;
121. **Black Robed Predators**(OL:85) or the making of a documentary as an original video content by a media company or an investigative TV show, with the testimony of judges' victims, clerks, lawyers, faculty, and students; and crowd funding to attract to its making and viewing the crowd that advocate honest judiciaries and the victims of judges' abuse of power;
122. promoting the unprecedented to turn judges' abuse of power into a key mid-term elections issue and thereafter insert it in the national debate:
  - a. the holding by journalists, newsanchors, media outlets, and law, journalism, business, and IT schools in their own commercial, professional, and public interest as *We the People's* loudspeakers of nationally and statewide televised citizens hearings(OL2:675§2, 580§2) on judges' unaccountability and consequent riskless abuse;
  - b. a forensic investigation by Information Technology experts to determine whether judges intercept the communications of their critics(OL2:633§D, OL2:582§C);
  - c. suits by individual parties and class actions to recover from judges, courts, and judiciaries filing fees paid by parties as consideration for 'justice services'(OL2:607) offered by the judges although the latter knew that it was mathematically(OL2:608§A; 457§D) impossible for them to deliver those services to all filed cases; so the judges committed false advertisement and fraud in the inducement to the formation of service contracts, and thereafter breach of contract by having their court and law clerks perfunctorily dispose of cases by filling out "dumping forms"(OL2:608 ¶ 5);
  - d. suits by clients to recover from their lawyers attorneys' fees charged for prosecuting cases that the lawyers knew or should have known(jur:90§§b, c) the judges did not have the manpower to deliver, or the need or the incentive to deal with personally, whereby the lawyers committed fraud by entering with their clients into illusory contracts that could not obtain the sought-for 'justice services'; and
  - e. suits in the public interest to recover the public funds paid to judges who have failed to earn their salaries by routinely not putting in an honest day's work, e.g., closing their courts before 5:00 p.m., thus committing fraud on the public and inflicting injury in fact on the parties who have been denied justice through its delay(cf. OL2:571¶24a);

123. how parties can join forces to combine and search their documents for communality points (OL:274-280; 304-307) that permit the detection of patterns of abuse by one or more judges, which patterns the parties can use to persuade journalists to investigate their claims of abuse;
124. the development of my website Judicial Discipline Reform at <http://www.Judicial-Discipline-Reform.org>, which as of July 19, 2021, had **39,121+** subscribers, into:
- a. a **clearinghouse** for complaints against judges uploaded by the public;
  - b. a **research center** for professionals and parties(OL2:575) to search documents for the most persuasive evidence of abuse: patterns of abuse by the same judge presiding over their cases, the judges of the same court, and the judges of a judiciary; and
  - c. the **showroom and shopping portal** of a multidisciplinary academic and business venture (jur:119§§1-4). It can be the precursor of the institute of judicial unaccountability reporting and reform advocacy attached to a top university or established by a consortium of media outlets and academic institutions(jur:130§5);
125. a tour of presentations(OL:197§G) by me sponsored by you on:
- a. judges' abuse(jur:5§3; OL:154 ¶ 3);
  - b. development of software to conduct fraud and forensic accounting(OL:42, 60); and to perform thanks to artificial intelligence a novel type of statistical, linguistic, and literary analysis of judges' decisions and other writings(jur:131§b) to detect bias and disregard of the requirements of due process and equal protection of the law;
  - c. promoting the participation of the audience in the investigation(OL:115) into judges' abuse; and their development of local chapters of investigators/researchers that coalesce into a Tea Party-like single issue, civic movement(jur:164§9) for holding judges accountable and liable to their victims: *the People's Sunrise*(OL:201§J);
  - d. announcement of a Continuing Legal Education course, a webinar, a seminar, and a writing contest(\*>ddc:1), which can turn the audience into clients and followers;
126. a multimedia, multidisciplinary public conference(jur:97§1; \*>dcc:13§C) on judges' abuses held at a top university(OL2:452) to pioneer the reporting thereon in our country and abroad;
127. the call of the constitutional convention(OL:136§3) that 34 states have petitioned Congress to convene since April 2, 2014, satisfying the amending provisions of the Constitution, Article V.
